The firefly is a symbol of illumination. These jovial fireflies represents hope, guidance, inspiration and awakening. They implore us to listen to our hearts and let them lead the way toward truth and light. Their radiant glow shines a light on Goodwill's mission to transform lives, reminding us that anything is possible as long as we believe.

Please join Goodwill Columbus

as we honor three extraordinary individuals whose lives
have been transformed through pathways to independence
and the power of work.
